Come and “See” what you can see!!!

New England Low Vision and Blindness (NELV&B) is a full-service technology and training company that provides low vision and blindness products as well as training services to people who are blind and visually impaired and to the professionals who serve them. Come and join us to check out what is out there for reading, writing, viewing pictures, etc.

In addition, information on devices for those having a hearing impairment, as well as several other devices, will be demonstrated.

United Way's 211 Van will be present to answer your questions on services available in RI.

CART (provided by Hamilton Relay) & Sign Language Interpreter have been secured for this event.

As part of OSCIL's outreach and community education initiative, OSCIL offers these Free “lunch and Learn” workshops highlighting various solutions that can increase access in your home.

Please call 738-1013 if you plan to attend

Seating is Limited

Lunch will be served

In addition, information on assistive devices will be shared after our speaker presentation and United Way 211 Outreach RV will be here.

Bring your questions!
